18 SECTION 4. IC 20-12-0.5-8 IS AMENDED TO READ AS  
19 FOLLOWS [EFFECTIVE JULY 1, 2001]: **Sec. 8.** The commission  
20 shall have the following powers and duties:

21 (1) To develop, continually keep current, and implement a long  
22 range plan for postsecondary education. In developing this plan,  
23 the commission shall take into account the plans and interests of  
24 the state private institutions, anticipated enrollments in state  
25 postsecondary institutions, financial needs of students and other  
26 factors pertinent to the quality of educational opportunity  
27 available to the citizens of Indiana. The plan shall define the  
28 educational missions and the projected enrollments of the various  
29 state educational institutions.

30 (2) To consult with and make recommendations to the  
31 commission on vocational and technical education within the  
32 department of workforce development on all postsecondary  
33 vocational education programs. The commission shall biennially  
34 prepare a plan for implementing postsecondary vocational  
35 education programming after considering the long range state  
36 plan developed under IC 20-1-18.3-10. The commission shall  
37 submit this plan to the commission on vocational and technical  
38 education within the department of workforce development for its  
39 review and recommendations, and shall specifically report on how  
40 the plan addresses preparation for employment.

41 (3) To make recommendations to the general assembly and the  
42 governor concerning the long range plan, and prepare to submit  
43 drafts and proposed legislation needed to implement the plan. The  
44 commission may also make recommendations to the general  
45 assembly concerning the plan for postsecondary vocational  
46 education under subdivision (2).

1 (4) To review the legislative request budgets of all state  
2 educational institutions preceding each session of the general  
3 assembly and to make recommendations concerning  
4 appropriations and bonding authorizations to state educational  
5 institutions including public funds for financial aid to students by  
6 any state agency. The commission may review all programs of any  
7 state educational institution, regardless of the source of funding,  
8 and may make recommendations to the governing board of the  
9 institution, the governor, and the general assembly concerning the  
10 funding and the disposition of the programs. In making this  
11 review, the commission may request and shall receive, in such  
12 form as may reasonably be required, from all state educational  
13 institutions, complete information concerning all receipts and all  
14 expenditures.

15 (5) To submit to the commission on vocational and technical  
16 education within the department of workforce development for its  
17 review under IC 20-1-18.3-15 the legislative budget requests  
18 prepared by state educational institutions for state and federal  
19 funds for vocational education. These budget requests shall be  
20 prepared upon request of the budget director, shall cover the  
21 period determined by the budget director, and shall be made  
22 available to the commission within the department of workforce  
23 development before review by the budget committee.

24 (6) To make, or cause to be made, studies of the needs for various  
25 types of postsecondary education and to make recommendations  
26 to the general assembly and the governor concerning the  
27 organization of these programs. The commission shall make or  
28 cause to be made studies of the needs for various types of  
29 postsecondary vocational education and shall submit to the  
30 commission on vocational and technical education within the  
31 department of workforce development its findings in this regard.

32 (7) To approve or disapprove the establishment of any new  
33 branches, regional or other campuses, or extension centers or of  
34 any new college or school, or the offering on any campus of any  
35 additional associate, baccalaureate, or graduate degree, or of any  
36 additional program of two (2) semesters, or their equivalent in  
37 duration, leading to a certificate or other indication of  
38 accomplishment. After March 29, 1971, no state educational  
39 institution shall establish any new branch, regional campus, or  
40 extension center or any new or additional academic college, or  
41 school, or offer any new degree or certificate as defined in this  
42 subdivision without the approval of the commission or without  
43 specific authorization by the general assembly. Any state  
44 educational institution may enter into contractual agreements with  
45 governmental units or with business and industry for specific  
46 programs to be wholly supported by the governmental unit or

- 1 business and industry without the approval of the commission.  
 2 (8) If so designated by the governor or the general assembly, to  
 3 serve as the agency for the purposes of receiving or administering  
 4 funds available for postsecondary education programs, projects,  
 5 and facilities for any of the acts of the United States Congress  
 6 where the acts of Congress require the state to designate such an  
 7 agency or commission. However, this subdivision does not  
 8 provide for the designation of the commission by the governor as  
 9 the recipient of funds which may be provided by acts of the  
 10 United States Congress, received by an agency, a board, or a  
 11 commission designated by the general assembly.  
 12 (9) To designate and employ an executive officer and necessary  
 13 employees, to designate their titles, and to fix the compensation  
 14 in terms of the employment.  
 15 (10) To appoint appropriate advisory committees composed of  
 16 representatives of state educational institutions, representatives of  
 17 private colleges and universities, students, faculty, and other  
 18 qualified persons.  
 19 (11) To employ all powers properly incident to or connected with  
 20 any of the foregoing purposes, powers, or duties, including the  
 21 power to adopt rules.  
 22 (12) To develop a definition for and report biennially to the:  
 23 (A) general assembly;  
 24 (B) governor; and  
 25 (C) commission on vocational and technical education within  
 26 the department of workforce development;  
 27 on attrition and persistence rates by students enrolled in state  
 28 vocational education.  
 29 **(13) To ensure that if a state educational institution provides**  
 30 **an academic or vocational education program to students in**  
 31 **kindergarten through grade 12 the program is consistent with**  
 32 **the state's academic standards under IC 20-10.1-16 and**  
 33 **IC 20-10.1-17."**  
 34 Page 2, line 25, delete "(as defined in IC 20-10.1-16)" and insert  
 35 "**under IC 20-10.1-16 and IC 20-10.1-17**".  
 36 Page 2, line 28, after "." insert "**The academic and vocational**  
 37 **programs conducted under subdivision (2) must be provided by**  
 38 **teachers who meet the requirements specified under IC 20-6.1-3.**".  
 39 Page 3, line 13, after "Sec. 14." insert "**(a) Any academic and**  
 40 **vocational education curricula or program that is provided under**  
 41 **this chapter must be:**  
 42 **(1) consistent with the state's academic standards under**  
 43 **IC 20-10.1-16 and IC 20-10.1-17;**  
 44 **(2) offered in a manner that allows students to qualify for**  
 45 **diplomas upon successful completion of the state's**  
 46 **requirements for high school graduation; and**

1           **(3) provided by teachers who meet the requirements specified**  
2           **under IC 20-6.1-3.**
